Summary

I am presently a full-time student looking to further my skill sets, and for the opportunity to gain hand-ons work experience to build my workplace experience. I don't have my highschool diploma, as I'm working towards it at the same time as my associates degree.

Education

Fortis Academy	Middle School • 4.0
Basic	Ypsilanti • 2018-2022

Fifth through eighth grade education graduated with honors.

Washtenaw community college	High School / College Program • 3.0
General math and science	Ann Arbor • 2022 - Present

Working towards a General Math and Science degree, along with my highschool degree through the program. I am planning to transfer to Michigan University afterwards.
